The **Michigan Indigent Defense Commission** (MIDC) was created in 2013 pursuant to the MIDC Act, MCL §780.981, to implement recommended improvements to the state's adult criminal legal system consistent with the safeguards of the U.S. Constitution. The MIDC sets minimum standards for indigent defense and provides grants to local funding units to facilitate compliance with approved standards. The MIDC's objective is to ensure the state's public defense system is fair, cost-effective and constitutional while simultaneously protecting public safety and accountability.

EGrAMS is an **E**lectronic **G**rants **A**dministration & **M**anagement **S**ystem that will be used to submit annual compliance plans and cost analyses and for MIDC to administer the grants process. All plan submitted will be reviewed for approval by the Michigan Indigent Defense Commission, under the MIDC Act. The System is password protected and only authorized users can access the system.

To access MIDC E-Grants, you must have a valid User ID. To apply to become an authorized user, you first need to create a User profile (see left side bar). Once created, your request will be reviewed, and if accepted, you will be notified by email.

The options in the left pane of the home page do not require a valid User ID. Move the mouse over the options to view additional details for each option. For additional information, click on the book icon at the top of the page.

If you have any problem accessing the application, please contact the **MI E-Grants Helpdesk at 517-335-3359** or MIDC-EGrAMS-Help@michiganidc.gov. Please include your full name and complete telephone number (with area code) when you contact the MIDC E-Grants Helpdesk.

Reminders

- The FY22 compliance plan and cost analysis is due April 27, 2021 by 11:59 p.m.
 - Share your draft plans and costs with your Regional Manager prior to that date for feedback (check with your regional manager for timing).
- The MIDC begin reviewing plans and costs for FY22 at the June 15, 2021 Commission meeting (location TBD).
- If you will be entering a plan for more than one system, you will need to set up a “multi agency” user profile, check with your Regional Manager for instructions.
- EGrAMS is only being used for now to enter the FY22 compliance plan and cost analysis. You will enter your FY21 quarterly reporting using the current model. See the MIDC's website on the grants tab for the links and forms.

Helpful tips

- Use the Word document and Excel template on our website for your drafts.
 - You can “cut” and “paste” from the word document into EGrAMS.
 - You can print those documents and follow along while in EGrAMS to ensure no questions are missed.
- This training is for a single user to enter plans and costs. If you have multiple people working on parts of the plan, just let us know and we can walk you through adding them to all or specific portions of the application editing process.

In the cost analysis, please include a list of names and P#s of all the attorneys who accept adult criminal defense case assignments in your system, including conflict counsel and counsel for youths charged as adults. ***See Attached***
6. What is your plan for training attorneys with less than 2 years of Michigan criminal defense experience? ***'New Attorneys are paired with 'Veteran' Attorneys (Veteran's being 1st Chair, New Attorneys being 2nd Chair) and he/she/they also receive Mac Manager direct support and guidance. New Attorneys also will complete a multi day skills training program (A for Attorney and trial college) offered via CDAM (if available) or similar vendor.***
7. Please describe your system's training plan, including how compliance will be tracked for reporting requirements: ***See Answer to #7. All Attorneys must undertake (the minimum-more are encouraged and approved) CLE (CDAM Conferences or other qualified training sessions as approved by the DOAC) and, as a small group, we assist each other with trouble shooting sessions as needed.***
8. If an attorney does not complete the required training, how will the system address the noncompliance? ***No 'plan' per se. We are a very small unit so that direct supervision can be undertaken by the DOAC. If training and ICLE requirements are not met, no further assignments and (permanent) suspension***

Instructions for Completion of the Fiscal Year 2022 Cost Analysis

Please complete all sections of the spreadsheet and narrative relevant to your request for grant funds. The cost analysis request is for the total adult criminal indigent defense system cost funded by the state grant, local share, and other funding sources. As noted in the narrative for each budget category, please highlight or make note of a new or changed budget request for FY22. Justification of expenses should include a clear statement as to how the position, contract, or item is a direct expense of the local indigent defense system. The request must include calculations for rates, hours and pricing of requested items. Please refer to the MIDC's GRANT MANUAL for guidance as to allowable costs. Click on 'Show Documents' to view the Grant Manual.

*Does or will your system use a vendor/nonprofit model public defender office to provide indigent defense services? ☐ Yes ☒ No

As part of your process for monitoring the compliance of the contract with your vendor for providing indigent defense services, please document here your policy, plan and/or contract language that identifies how payments are made to the vendor (frequency, by allotments, by invoice billing, for example) and how funds if advanced by you and unexpended by the vendor at the close of the grant year are reported to you and accounted for.
